1. G.O.Ms.No.175, Firka Development, dated 25-3-1948.
2. Memorandum No.10107 F.D.III/49-1, dated 4-4-1950.

O R D E R:

The Government in G.O.Ms.No.175, Firka Development, dated 25-3-1948, set apart a sum of Rs. six lakhs from the special fund for village Reconstruction and Harijan Uplift for payment of grants-in-aid to non-official institutions engaged in constructive work which are not able to find adequate funds for continuing their work. The Government further directed that the applications for grants-in-aid should be sent through the Collectors of the districts concerned who should forward the applications to Government with their recommendations, together with a statement of receipts and expenditure in respect of such institutions and the questionnaire prescribed in memorandum No.10107 F.D.III/49-1, dated 4-4-1949 duly filled in. But it is observed that there is enormous delay in dealing with such applications with the result that the good work of the non-official institutions suffer for want of timely financial aid.

The Government therefore direct that applications for grants from non-official institutions engaged in rural reconstruction work should be treated as 'SPECIAL' in all stages and dealt with expeditiously.
